

Madison Boats Cold Water Policy

Madison Boats is excited to offer you the opportunity to get out on the water early. Until the water is above 65 degrees we are requiring ALL participants:

- 1. ALWAYS wear your provided Personal Floatation Device.**
- 2. Provide Staff with your float plan.**
- 3. Keep a Phone on your person** (we have ziplock bags but suggest a drybag for better phone protection)
- 4. Renters of Stand Up Paddle Boards and Single Sit On Top Single Kayak will have to wear the provided ankle leash at all times.**

It is also HIGHLY RECOMMENDED that you:

- Paddle with a buddy.
- Stay within easy swimming distance of shore and no further than 200' from shore.
